A presentation of the work of the nomination committee can be found on the Bank’s website, handelsbanken.se/ireng.

Item 2 Election of chairman of the meeting
The nomination committee proposes that Mr Sven Unger be chairman of the meeting.

Item 9 Dividend and record day
The Board proposes an ordinary dividend of SEK 5.50 per share and an extra dividend of SEK 2.00 per share, and that the remaining profits be carried forward to next year. In addition, the Board proposes that Friday, 23 March 2018 be the record day for receiving dividends. If the meeting resolves in accordance with the proposal, Euroclear Sweden AB expects to distribute the dividend on Wednesday, 28 March 2018.

Items 11-12 Acquisition and divestment of the Bank’s own shares
The Board proposes that it be authorised, until the next AGM, to resolve on the acquisition of a maximum of 120,000,000 class A and/or B shares and divestment – both via Nasdaq Stockholm AB and outside Nasdaq Stockholm AB – of all the Bank’s own class A and/or B shares, with the right to deviate from the shareholders’ preferential rights. The earning capacity of the Bank remains good, and a stable capital situation can be foreseen. Depending on the continuing growth in volumes, a strengthened capital situation may arise. In such a situation, it could be appropriate to adjust the Bank’s capital structure, which may, among other things, be carried out by repurchasing the Bank’s own shares. A new authorisation by the meeting for the Board to resolve on the repurchase of the Bank’s own shares is therefore justified. The Board also notes that if the Bank were to acquire a company or operations, such a transaction could be facilitated if its own repurchased shares were available to finance an acquisition. The Board also proposes that the Bank, in order to facilitate its securities operations, shall have the right to acquire its own class A and/or class B shares for the Bank’s trading book until the next AGM pursuant to Chapter 7, Section 6 of the Swedish Securities Market Act (2007:528), on condition that its own shares in the trading book at no time exceed two per cent of all shares in the Bank. The aggregated holding of own shares shall not at any time exceed one-tenth of the total number of shares in the Bank.

Item 13 The Board’s proposal regarding authorisation for the Board to resolve on issuance of convertibles
With the purpose of allowing flexible, effective adaptation of Handelsbanken’s capital structure by quickly being able to perform issues of convertible additional tier 1 instruments, the Board is
proposing that the AGM resolves to authorise the Board during the period until the AGM in 2019, to resolve on issuance of such convertibles, on the following main conditions:

- An issue may be made with or without deviation from shareholders’ preferential rights. The reasons for a deviation from the shareholders’ preferential rights are that it must be possible to issue to institutional debt investors on the international capital markets, and without right of conversion for the holders.
- The convertibles will not include the right of conversion for the holders, but will lead to mandatory conversion to shares in accordance with the terms and conditions, in the case of one or more pre-defined events.
- The loan amount and conversion conditions will be determined so that the aggregate number of shares which may be issued when converting convertibles issued under this authorisation, with application of the conversion price determined at the time of issue, amounts to a maximum of 180,000,000 shares. Issuances under this authorisation must be made on market terms.

**Item 14-15 Determining the number of members of the Board and the number of auditors to be appointed by the meeting**
The nomination committee proposes that the meeting resolve that the Board consist of eleven (11) members. In addition, in accordance with the audit committee’s recommendation, the nomination committee proposes that the meeting appoint two registered auditing companies as auditors.

**Item 16 Deciding fees for Board members and auditors**
Fees are proposed by the nomination committee as follows: SEK 3,300,000 (3,150,000) to the Chairman, SEK 940,000 (900,000) to the vice chairman and SEK 670,000 (640,000) to each of the remaining members. For committee work, the following fees are proposed: SEK 390,000 (375,000) to each member of the credit committee, SEK 135,000 (130,000) to each member of the remuneration committee, SEK 390,000 (375,000) to each member of the risk committee, SEK 250,000 (250,000) to each member of the risk committee for US operations if such is required, SEK 390,000 (375,000) to each member of the audit committee and SEK 470,000 (450,000) to the chairman of the audit committee. Board members who are employees of Handelsbanken shall not receive a fee. The nomination committee proposes that the meeting resolve on remuneration to be paid to the auditors ‘on approved account.’

**Item 17-18 Election of the Board members and the Chairman of the Board**
The nomination committee proposes that the meeting re-elect all Board members, with the exception of Mrs Karin Apelman, who has declined re-election. The nomination committee proposes that the meeting elect Mr Hans Biörck as new member.

The nomination committee also proposes that Mr Pär Boman be re-elected as Chairman of the Board.

More details on the proposed members of the Board may be found in the nomination committee’s proposal, which is available on the Bank’s website handelsbanken.se/ireng.
Item 19 Election of auditors
In accordance with the audit committee’s recommendation, the nomination committee proposes that the meeting re-elect Ernst & Young AB and PricewaterhouseCoopers AB (“PwC”) as auditors for the period until the end of the annual general meeting to be held in 2019. These two auditing companies have announced that, should they be elected, they will appoint as auditors in charge Mr Jesper Nilsson (authorised public accountant) for Ernst & Young AB and Mr Johan Rippe (authorised public accountant) for PwC.

Item 20 The Board’s proposal concerning guidelines for remuneration to executive officers
The Board proposes that the meeting decide on the following guidelines for remuneration and other terms of employment for executive officers of Handelsbanken. The guidelines shall not affect any remuneration previously decided upon for executive officers.

- The aggregated total remuneration shall be on market terms.
- Remuneration is paid only in the form of a fixed salary, pension provision and customary benefits. By special decision of the Board, the Bank can provide housing. Variable remuneration benefits such as bonus and percentage of profits are not paid.
- The executive officers in question are included in the Oktogonen profit-sharing system on the same terms as all employees of the Bank.
- The retirement age is normally 65. Retirement benefits are defined contribution, and are payable in addition to a collectively agreed pension plan.
- The period of notice on the part of the officer is six (6) months, and on the part of Handelsbanken a maximum of twelve (12) months. If the Bank terminates the employment contract later than five (5) years after the person becomes one of the Bank’s executive officers, the period of notice is a maximum of twenty-four (24) months. No other termination benefits are paid. Other time periods may apply due to collective agreements and labour legislation.
- The Board shall have the right in exceptional circumstances to deviate from the established guidelines if there are special reasons in an individual case.

These guidelines shall apply to the Group Chief Executive, other Executive Directors and members of the parent company’s Board who are also employees of the Bank.
