#### Payments to Bankgiro/Plusgiro/Accounts

##### 1. Payment via Handelsbanken's Online Banking

A payment may be registered up to 12 months before the payment date. The payment must be registered and authorised no later than 09:45 CET on the payment date to be executed on the same day. The Bank will monitor and execute the payment on the specified date. The amount is debited to the company's account early on the morning of the payment date and the beneficiary receives it on the same day.

From 15 May 2026, a payment to an account can be registered and authorised as late as 14:45 CET to be executed on the same day.

From 30 October 2026, all payments (Bankgiro, Plusgiro, account) can be registered and authorised as late as 14:45 CET to be executed on the same day.

##### Payment to Bankgiro or Plusgiro

If the account does not contain sufficient funds at the time of the initial balance check at 05:00 CET, a repeated attempt is made at 09:45 CET. If the account still lacks sufficient funds, the payment is rejected. Information about stopped payments is displayed in Online Banking and in Mobile Banking Corporate.

From 30 October 2026: An initial balance check is made at 05:00 CET, after which repeated attempts are made during the day until 14:45 CET. If the account lacks sufficient funds, the payment is rejected. Information about stopped payments is displayed in Online Banking and in Mobile Banking Corporate.
